Hi Carolyn-

Thanks for letting me know. September 11<sup>th</sup> works for me, so I'll block it off.

Hi Carolyn-

I'm not sure if you are still the ADA working on the [REDACTED] case, but I have a question or two about it. First, has there been any changes in the case (plea, stipulation, etc.) that affect me? If not, does it look like you will need me on the 11<sup>th</sup>, or is it possible you would need me the 12<sup>th</sup>? I'm asking as I just received notice of a case in New Bedford also scheduled for the 11<sup>th</sup> and told the ADA there (Caleb Weiner) that I would get in touch with you to find out what is going on. If, perchance, both cases are still on, would it be possible to take me out of order (either first or last) so I could testify in New Bedford as well? If not, I understand and will let ADA Weiner know of my availability (or lack thereof). Thanks.

Hi Sonja - so we are going to move this case in the next few days, and I wanted to see if I might get an updated schedule from you.

I have cc'd ADA Carolyn Morrissette, so that she will have your contact information - Carolyn will be trying this case, as I am being transferred to another court.

Thanks again for your help,

Caleb

Hi Caleb-

I still haven't heard anything from ADA Pascale regarding the motion to suppress, and in the meantime I received an second summons for Springfield on 5/17/11 from ADA Pascale. In the second case, the defendant waived his motion to suppress and the ADA thinks it could very well go to trial. With this said, it may be best to try and move the [REDACTED] [REDACTED] date if possible. Here's my schedule for the rest of May as well as June so far (depending on when you can get the date changed, I may have already received a summons for your new date, so if it will be a while before you can get it moved, you may want to ask me for an updated schedule). I apologize for the inconvenience. Thanks.
